HAS ANYONE ELSE SEEN THIS?

The hard part is finding out you aren't the only one.

Concrete missing from the underside of the railroad bridge over 36th and Campbell. **Petition.** I believe neighbors deserve to know how many asked the city to fix the same problem, and what came of it.

Wildfire

We the People of Chicago.

From an essay by Sergio Patiño · sergiopatino.org

Not for a pole or a lamppost.
A window, or a board with the owner's yes.
